

# FLORIDA HEALTH JUSTICE PROJECT

## To Individuals Seeking Help with Sudden Loss of Medicaid Coverage

In addition to your communications with us and other advocates, we encourage you to reach out to some additional state officials below. Ultimately we believe the best way to fix this devastating failure of state government is to raise our collective voices to as many state leaders as possible.

When you call or email these contacts, we suggest you provide a sentence or two about what happened to you. For example, *“I was on a Medicaid long term care plan and receiving home health services because I am \_\_\_\_\_. [e.g. in a wheelchair] My Medicaid ended on April 1 without notice, and I am no longer getting services I need to stay safely at home. “*

Feel free to copy FHJP at [info1@floridahealthjustice](mailto:info1@floridahealthjustice) on any email communications you send.

Together, we hope to make a difference!
