

# Are you an uninsured Miami-Dade resident?

- ✓ Did you receive a surprise bill for COVID-19 testing or treatment?
- ✓ Do you need treatment for another disease or condition that you cannot afford?

If so, contact the Health Justice *STORIES!*  
Project for support.

- ✓ Did you know? Many healthcare providers are not allowed to bill individuals who do not have health insurance for COVID-19 testing and treatment.

- ✓ Did you know? The Jackson Health System provides free primary care for county residents. But the charges for some things, like seeing a specialist or having an X-ray, can be high.
