

**DO YOU GET
HEALTH INSURANCE
FROM MEDICAID or
a MEDICAID MCO?**

**DCF needs to be able to
contact you to see if you are
still eligible for Medicaid.**

TO DO NOW:

- 1) Create an ACCESS account, if you don't have one.**
- 2) Make sure DCF has your current contact information, so the mail they send will reach you.**

Go to: <https://www.myflfamilies.com/service-programs/access/>
then click on the bouncing Virtual Assistant in
the lower right corner.
