

# Did you have a baby between March 2020 and March 2022?

Even though postpartum Medicaid coverage was extended to a full year, with the current changes to Medicaid, a lot of Florida parents on Medicaid are in danger of losing their coverage.

## TO DO NOW:

- 1) Create an ACCESS account if you don't have one;
- 2) Make sure DCF has your current contact information, so the mail they send will reach you.
