The Social Services Navigator Program is a free and exciting new program at Bay Area Legal Services.

Bay Area's Social Service Navigators will meet with you one on one to discuss any issues you are facing and will guide you to the appropriate resources within your community. The Navigators will stay in contact with you and the service providers to ensure you are following your case plan and that you have the opportunity to get the full value of the resources available to you.

The Social Services Navigator Program is designed to be a stress free and simple experience to help better your life.

The Process:

Step 1: Inform your Advocate that you want to meet with a BALS Social Service Navigator.

Step 2: Be available for an Office or Telephone Appointment.

Step 3: Follow the case plan you and your Social Service Navigator have created.
